Dear Sirs

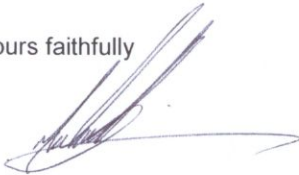

Celebrating Success - Waterside Farm Leisure Centre, Canvey Island

We write to thank you for your assistance on this Morgan Sindall project which has delighted our client and achieved our target of Perfect Delivery.

You helped us to achieve a safe site with zero reportable accidents, and to finish the work on time with a snag free handover. Castle Point Borough Council are absolutely delighted with the finished product, and have told us that they'll recommend Morgan Sindall for work in the future.

We therefore have great pleasure in enclosing your Perfect Delivery certificate, and extend our thanks to all your staff who worked with us on the project both on and off site.

Yours faithfully
